

Questions for Research on Shakespeare's Writings and Publications

Writings

- What were Shakespeare's four major writing periods?
 - What "defined" each period? How were they distinct from one another?
 - What major works were included in each period?
- What (sub)genres of poetry and drama did he write?

Publications

- What is Shakespeare's Folio?
- Who published the Folio? Why?
- What are Quartos?
- What makes a quarto "bad"?
- With what issues/details do editors of Shakespeare texts need to concern themselves?

Document three different sources of information!
